Good morning!

In this email I would like to share a little about 40 Days for Life.

Here are a few recommendations:

1. Visit the National site www.40daysforlife.com to receive daily emails with important updates about saves and daily prayers that can be shared.
2. Sign up for prayer vigil hours using the online tool on the website: <https://40daysforlife.com>
3. Prayer and Fasting. During the campaign include a daily petition for the unborn who are in danger of abortion, the conversion of those who work in the abortion industry, the conversion of those who promote abortion, and for all mothers and fathers in their needs.
4. Spiritually adopt a child in danger of abortion. Find the prayer here: <http://www.spiritualadoption.org/>
5. Pilgrimage to the prayer vigil site for an hour. Schools, churches, and other organizations have often selected an hour on a Saturday to gather in front of Planned Parenthood and led their groups through prayers such as the Holy Rosary and Divine Mercy Chaplet. This might be something you coordinate for your family or organization as an opportunity for them to learn and grow. Then next campaign consider how you might invite and include more people.
6. Ask to have 40 Days for Life added as a petition during a Mass or church service. Consider having a prayer group pray for the unborn who are in danger of abortion.
7. Raise funds or resources for the **Great Lakes Gabriel Project** who sponsors our local 40 Days for Life Campaign. They have a list of needs for mothers and babies on their website: <https://www.glgabrielproject.org/>
8. Share your thoughts, prayers, best practices with family, friends, and community.
9. Spread the word about the film **Unplanned** promoting its viewers to join us at 40 Days for Life.
10. Security and Safety. Call 911 if you experience any concerns about your personal safety or others.

11. COVID 19: We must follow all current local, State, and Federal policies, laws, and guidelines.
12. Materials. Promotional materials are available for the Campaign. Please contact the Lead Coordinator Timothy JA O'Donnell at ldipsumsapere@att.net or call/text him at 317-372-0040.

So these are some ideas to consider. I would love to hear your thoughts and ideas.

Let me know what I can do to help you.

Anything you do implement please let me know so I can help you.

Be assured of my prayers!!!

Ad Jesum per Mariam!!!
